

21st May 2020

Dear Parents/Carers,

As you will no doubt be aware, the Government has made a number of further announcements in relation to measures to prevent the further spread of Coronavirus (COVID-19). The advice, correct as the date of this letter **continues to be that schools, colleges and childcare providers will be closed to the majority of pupils until further notice**, however settings are open to vulnerable children, those of key workers and partially to year 10 students.

Whilst we understand that this is likely to cause disruption for you and your family, we continue to have robust plans in place so that your child can continue their education during this time. To this end, we continue to offer online work for your child to complete at home using the Sharepoint facility. If your child is unable to access Sharepoint please email the school at office@lyndon.org.uk advising accordingly.

Where appropriate further information specific to your child will follow. However, in the meantime I would like to take this opportunity to thank you wholeheartedly for your understanding and ongoing support in helping us to manage this unprecedented situation.

Yours sincerely

Mr Abid Butt
Principal
