

Message from the Principal

Thank you all for supporting us during what has been a very productive Autumn Term.

We have been impressed with our students' conscientious approach to PPE's and assessments that have taken place over the last few weeks.

I hope you all have a fantastic Christmas holiday and a restful break. The last day of term will be Thursday 15th December 2022 for all learners at Lyndon and we look forward to welcoming all learners back on Wednesday 4th January 2023.

Mr Butt—Principal

IQM Award

Lyndon School has been re-accredited as an Inclusion Quality Mark (IQM) Centre of Excellence, following a rigorous re-inspection which took place last month.

Lyndon School was first awarded Centre of Excellence status in 2020 by IQM, who described the school as a "welcoming, safe and supportive" learning environment where the wellbeing of learners is an upmost priority.

The inspector who visited in 2020, Kenny Frederick, praised Lyndon as "an inspiration to all their staff and pupils", and its re-accreditation highlights the school's continued efforts to maintain this.

The IQM provides schools across the UK with a nationally recognised framework to becoming educationally inclusive and promote equal opportunities for all learners, whatever age, gender, ethnicity, attainment and background.

The IQM team help schools evaluate and measure how they are performing—empowering them to improve and grow.

Mr Butt said, "I am delighted that Lyndon has been re-accredited as an IQM Centre of Excellence, and proud of our community for making this happen.

"Inspectors have recognised our hard work to ensure that our mission statement, 'Success through endeavour; Strength through diversity; Ambition through challenge' is embedded in the whole school experience for all Lyndon learners."

Remembrance

Friday 11th November, 2022 our learners fell silent at 11am and planted poppies in our Remembrance Garden. This annual Remembrance service provides learners with an opportunity to consider those who spent their life in service, making sacrifices to preserve liberty and uphold human dignity.

NLC/National Language Competition

A huge 'well done' to 4 of our Year 9 learners who accepted the mission set by GCHQ-NLC to compete against others, nationwide for the NLC 2022 Trophy!

Over the course of five days, teams of Year 9 pupils from across the UK worked hard to solve a variety of exciting, language-themed challenges on an online platform.

At Lyndon, Ananya, Komeyl, Ana and Michael worked relentlessly to amass their points, using the lateral thinking, code-cracking, puzzle-solving skills. Their determination and outstanding effort have paid off as they finished 53rd out of 3092! Congratulations to the team for their endeavour and resilience, which resulted in such a great achievement and thank you to Mrs Paquiri for support the team.

Food Bank Support

During a weekend in December, members of Lyndon Staff volunteered to help support Sewa Day West Midlands pack 281 food boxes ready for distribution to schools including Lyndon, to support families over the Christmas break.

Thank you!

A big thank you to Ms Jeanine Fincher from One Stop for supporting Lyndon throughout the year with food donations.

Shoe Box Appeal

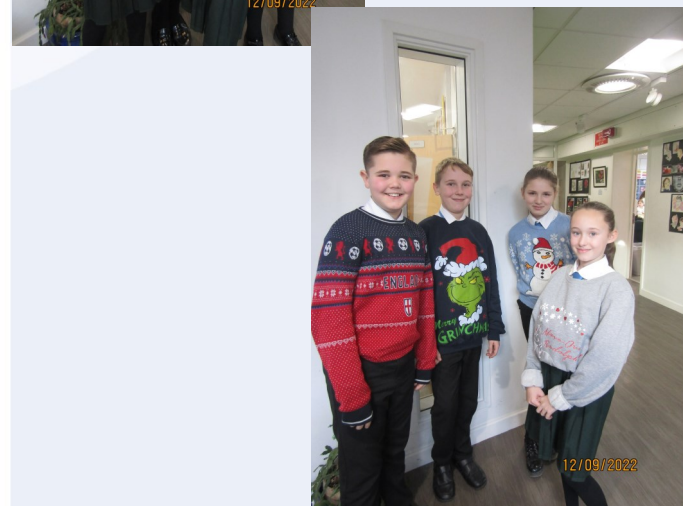

Thank you to our wonderful Lyndon family and community, we did it again! 192 shoe boxes full of love, joy and hope have been collected and donated for the T4U charity. We cannot express the gratitude and appreciate everyone's combined efforts. Thank you!

Jolly Jumper Day

Friday 9th December, learners and staff wore sparkly jumpers and made donation that are being sent to Birmingham Children's Hospital Charity. Any donation made to the charity helps make a huge difference to the lives of sick children and their families, so everyone's support is greatly appreciated.

Thank you an amazing £435.00 was collected.

On 6th December, Summer 2022 Leavers came to school to collect their 2022 GCSE Exam certificates. Ex Learners enjoyed catching up with old friends and some of our teachers.

UNICEF Rights Respecting School

Lyndon School is a UNICEF rights respecting school. A Rights Respecting School is a community where children's rights are learned, taught, practised, respected, protected and promoted. We want to ensure our learners are healthier and happier, that they feel safe, that they have better relationships, become active and involved in school life and the wider world. Our staff are committed to raising the awareness of children's rights in our everyday lives, from the minute they walk into school in year 7 to when they leave us in year 11.

We want our parents to understand the importance of raising children to be healthy, happy adults who are confident and resilient; we aim, by the time they leave us, to know what their rights are and how positive an impact this will have on their future lives.

If you require any further information, please do not hesitate to contact Zaynah Azam, Team Leader of PRSHE on zaynah.azam@lyndon.org.uk.

Christmas Carols

Lyndon Learners visited Heartlands Hospital to raise funds for UHB Charity. They sang Christmas carols for all visitors. Feedback has been amazing from our community.

All learners thoroughly enjoyed themselves and performed amazingly

Bookbuzz 2022

Earlier this term, we were excited to launch Bookbuzz 2022 at Lyndon School, with the support of the Book Trust.

Bookbuzz is a reading programme that aims to help schools inspire a love of reading. Learners were given the opportunity to select a book of their own choice to take home and keep. These books have been carefully selected by book experts and the final list of books reflects the opinions from 11 to 13-year-olds, a variety of genres, styles and reading levels. Every learner also has access to a website packed with a wealth of information, including extracts from the books, a film featuring the Bookbuzz authors, downloadable resources and exclusive competitions.

"I think it's amazing that we get such a wide choice of books. It's made me want to read more." Year 8 learner

We also ran various internal competitions to further encourage our learners to enjoy reading for pleasure and of course, there will be rewards to be won! After our learners read their first book, we encourage them to take part in a book swap within their tutor groups, to enable learners to access another book and the opportunity to review and discuss their reading experiences with one another.

"My friends and I talk about what we are reading now and we never did that before." Year 7 learner.

Reading expands vocabulary, it improves focus, memory skills, and self-esteem. Individuals become more empathetic, creative, improve in their academic performance and develop a more holistic understanding of the world and its diverse cultures. We are hopeful this initiative will help our learners to enjoy reading, and be excited about finishing their current book, so they can start reading another.

Learners were delighted with their books, commenting:

"Reading has become a part of my schedule. It has helped me to do more creative writing in my lessons. I can't wait to do our form book swap and read something I wouldn't have thought about reading before."

"The book I chose is really engaging and has opened my mind to reading other genres than what I am used to."

One parent added: "Thank you to Lyndon for this great initiative. Our son was excited to be given a choice of books to read and was disappointed he could only choose one! He enjoys finding new stories to read and we are extremely grateful to everyone at the school who is supporting and encouraging the learners to enjoy the world of books."

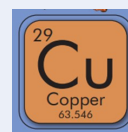

Please speak with your child about using this opportunity effectively, and to value the books they have been gifted. Happy reading!

INFORMATION

Attendance and Punctuality at Lyndon School

At Lyndon, we believe that excellent attendance and punctuality are both important in helping our learners to achieve their full potential. As such, at Lyndon School our expectations are that all learners should be at school and on time every day the school is open unless the reason for absence is unavoidable.

To meet our statutory obligations and to ensure our learners benefit from consistent high quality learning Lyndon School will:

Promote perfect attendance and work closely with our families to ensure all learners attend school each day.

Act proactively to identify and address patterns of absence which may hamper a child's life chances.

Communicate regularly with our families to provide information regarding their child's attendance and the impact it is having on their progress at the academy.

Working in partnership with various agencies to support the work of Pastoral Managers, Attendance Officers, and the Education Welfare Service Remember, excellent attendance is key to your child being able to fulfil their potential and make good progress in school.

Improving attendance: What parents and carers can do?

One of the most important ways a parent or carer can support the personal and academic development of their child is to ensure they attend every day and on time. At Lyndon, we have a clear expectation that learners should aim for 100% attendance every year. We recognise however, that illness happens, children can become unwell and there will be occasions when your child is too poorly to come into school. The academy expects the support of parents and carers in ensuring that children always attend, when possible.

Please encourage your child to come to school even if they are feeling slightly unwell. Pastoral Managers will contact you if it becomes necessary for your child to go home however, creating an ethos of getting into school, prepares them for further education and the workplace.

Where a child is unwell, parents and carers should ensure they follow the 'Reporting' procedures below.

Reporting an absence

All absences must be reported to the Attendance Officer before the start of school by 8.30am, on the absence line, giving the reason for absence. If it is a prolonged absence a call is required, each day

Absences can be reported via the school absence line on 0121 743 3402 (option 1) or by email to office@lyndon.org.uk

If you know your child is going to be absent due to medical appointment, please let us know in advance with evidence for the absence. In such instances, absences from school should be limited to the length of the appointment and traveling time.

Absence due to illness will be authorised unless there is a concern about the authenticity of the illness, in which case you may be asked to provide medical evidence. Unexplained absences will be unauthorised by the academy.

Examples of authorised absence

Medical or dental appointments. Routine appointments should be made for outside of school hours. Evidence of these appointments is required. The academy will only authorise a maximum of half a day's absence for unavoidable medical appointments (e.g., hospital consultant, CAMHS or orthodontist appointments).

College/employment interviews. Evidence is required.

Family funerals of close and immediate family members or recognised religious observations. (One day will be granted on prior notification).

For exceptional circumstances a Leave of Absence request form can be obtained from the school for completion. On receipt of this form the Principal will decide and write to you to confirm whether authorisation is granted.

Examples of unauthorised absence

- Unauthorised leave of absence.
- A full day absence for a medical appointment
- Absence not reported on the day or supported by written explanation upon return to school
- Arriving late after the register has closed (9.30 am)
- Truancy: isolation will be given as a sanction

Examples of medical evidence

- Medical appointment card or photo with one appointment entered
- Letter from a professional
- Medical note
- Medication prescribed by a GP
- Copy of prescription
- Print screen of medical notes
- Letters concerning hospital appointments
- Slip with date, pupils name and surgery stamp, signed by Receptionist

Request for leave of absence during term time

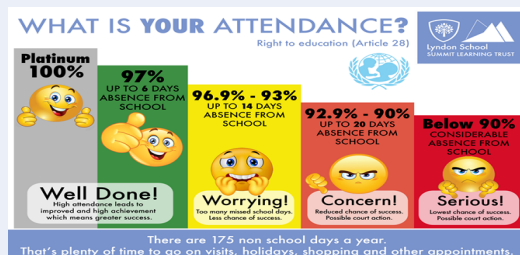

Parents/ carers should not take book holidays or similar arrangements during term time. It is unlawful for learners to be granted holidays during term time; therefore, the principal will be unable to give authorise absences unless there are genuine exceptional circumstances.

Punctuality

We ask that students arrive at the academy prior to 8.30am ready to attend tutor time at 8.40am. If your child is going to be late, please call the main office to inform them of the reason. The school gates close at 8.30am and should any learners arrive after this time, they must sign in at the 'late desk', located at the Upper School Gate entrance. If a learner arrives late, without a genuine reason, they will be issued with a 20-minute detention which will need to be sat at the end of the same school day. For learners who arrive after 9.30am, without a valid reason, they will be marked as a 'U' which is an unauthorised absence.

If you have any questions or concerns regarding attendance, please contact your child's Pastoral Manager who will be able to advise and support you as well as putting you in touch with other agencies should this be required.

Thank you for your continued support in helping to raise attendance, punctuality, attainment, and achievement at Lyndon School. If you are unsure of any of the details regarding attendance, a full Trust Attendance Policy can be viewed on our website.
