

17th September 2024

Dear parent/carer,

In keeping with our commitment to provide learners with outstanding careers guidance and tailored support when choosing their next steps after school / college, we will now be using Unifrog, an award-winning service, to record career and personal development activity. All learners now have access to this website.

Unifrog is a universal destinations platform. It is designed to support learners in making the most informed decisions about their futures and has a range of tools that are suitable for all year groups. Each learner has their own account where they can explore all the career and next step options available to them and find information on everything from managing their workload to writing a winning CV. Learners have access to a wide variety of video and written content, and interactive quizzes and tests, including:

Section of the Platform	Examples of what learners can do	Suitable age range
Quizzes	Finding their interests, personality type, preferred work environment, and skillset.	Years 7-11
Exploring pathways	Explore careers, career sectors, subjects, sign up to free webinars, explore MOOCs and courses, and find wider reading materials.	Years 7-11
Recording what you have done	Record their in-class and extracurricular activities, record examples of their skills, and see the record of CEIAG events the school has added to their accounts.	Years 7-11
Searching for opportunities	Find scholarships, activities, and bursaries to support their HE journey. Find and compare degrees in the UK and overseas, live apprenticeships, and FE courses.	Years 10-11
Application materials/making applications	Write their CV, cover letter, Personal Statement, and more. Track their applications and record their Post 16 / 18 intentions.	Years 10-11

Learners access the platform by clicking a link in their welcome email, which was sent to their school email address, where they create a password and can begin using the platform. They sign in to Unifrog using their school email address and password, and they can do so from any computer, tablet, or smartphone. We would encourage you to use the platform with your child so you can support them through the process of deciding their next steps.

For more information, visit www.unifrog.org or contact Mrs Carey directly via julie.carey@lyndon.org.uk

Yours faithfully,

Dave Kelly
