12th September 2024

Dear Parents/Carers

Lyndon School Careers Convention – Wednesday 9th October 2024

It is never too early for learners to start thinking about their next steps after leaving Lyndon and appropriate careers guidance is essential if your son/daughter is to make the right progression. This could be by continuing in education at one of the many local colleges or 6th forms, taking an apprenticeship or entering employment with appropriate training.

To help your child with this important decision we are inviting Year 9, Year 10 and Year 11 learners to our annual Careers Convention which will be held on Wednesday 9th October 2024. This is usually a very busy event so for health and safety purposes, learners in Year 9 and Year 10 must only attend during the times stated below:

- Year 10 learners are invited to attend from 6pm – 7pm only
- Year 9 learners are invited to attend from 7pm - 8pm only

You are invited to come along with your son/daughter and talk to some of the contributors to this evening. We do ask our learners to wear full school uniform and be accompanied by an adult.

We look forward to meeting you on the evening.

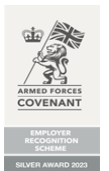

Yours faithfully

Mr Kelly
